Hey!

We're hiring dancers to participate in a music video for an upcoming project.

The dance has a hip hop foundation , but incorporates other influences as well, so we ask that you have experience in those areas. All colors, sizes, and shapes are welcome!

Auditions will be June 17th

Rehearsals will be June 22,23 (Morning /Early Afternoon)

Shoot will be Sunday June 25th in the Morning.

Please apply only if these dates won't conflict with your schedule.

This will be a quick process, so we ask that you come in fast learners with amazing memory retention.

Through this process we will be looking to hire dancers to perform for live events. Though the music video does NOT pay, if hired to dance for performances, you will be paid for performances.

We need Male AND Female dancers.

Send us your resume and a photo and we'll get back to you asap!

Thanks!

Olympus Team
