The Upstart Program ushers in fresh talent with an intriguing festival of performances and roundtable discussions. We seek dance, theater and performance works by artists who have no more than three years of experience showing their work in New York City. Artists MUST BE New York City based. Work will be produced as part of a two-day showcase in the BAX theater, Friday & Saturday March 16-17, 2018. Originally the brain-child of Shannon Hummel (BAX Artist in Residence 2005-07, Artist Advisor 2007-08), the festival is currently curated by former BAX Artists In Residence Jillian Peña (2011-13) and Fernando Maneca (2004-06).
