Applications are now available for Triskelion Arts' 4th Annual Improv Festival, "Never Before, Never Again", running Thursday - Sunday, January 25 - 28, 2018.

DEADLINE: October 1, 2017

We celebrate the moment of invention as it explodes from the unknown with a cadre of expert improvisors! Featuring artists who regularly harness the ephemeral, in work never before seen, and never to be seen again beyond this one presentation. We invite you to share the power of immediate presence in performance - through dance, Butoh, action theater, and more! Improvisational artists practicing movement, music, clowning, comedy, storytelling, puppetry, vocalization, etc., are invited to submit.
