Soul Steps LLC is a professional African-American step company based in the NY/NJ area and founded in 2005 by performing artist and producer, Maxine Lyle. The company has performed all over the world, and has worked with well-known companies and brands such as Diesel Jeans and MTV. We are seeking dancers who are experienced in the collegiate art form known as "stepping." Percussionists and dancers with experience in other percussive genres are also welcome to audition. Artists must have the ability to travel and a flexible schedule that allows for evening and weekend rehearsals.

Paid performances and tours. Auditions Nov 19th 3-6pm

Must send resume and reel to register, also for location.

Good Luck!
