Boy Friday is a New York-based movement arts company led by artistic director Erik Abbott-Main, creating works of progressive and surreal dance theatre. Boy Friday is seeking contemporary dancers to join us in the creation of a new work to be presented in New York City fall 2018 with potential for further performances.

Please visit our website, [www.boyfridaycompany.com](http://www.boyfridaycompany.com), to learn about the company and view some of our work. If you could see yourself dancing with us, send a resume and video of your choice (may be improvisation, performance reel, or other – we just want to see you move) to [maddie@boyfridaycompany.com](mailto:maddie@boyfridaycompany.com) by Monday, March 5. We will be in touch with you shortly after that date and let you know if we would like you to attend a company rehearsal in mid-March.
