ARCH BALLET // SPLIT BILL OPPORTUNITY

Company: ARCH BALLET
Compensation: n/a

Hello fellow companies,

www.archballet.com is seeking the possibility if we would like to split our bill for 2 of our shows at our upcoming spring season.

Dates : Sunday, Apr 29 - Monday, Apr 30

We already have lighting design, marley, etc. covered.

We are not finalizing if we want to do this but we are open to the possibility to see what other companies are out there and would be interested in performing in a split bill performance. We typically sell out our shows but our theatre is slightly larger this time.

If you would be interested - fill out the below form. We would be looking for a company complimentary to us in size around 6 dancers or less. And audience value and production quality similarities.

This is us so you can check us out as well : www.archballet.com/booking

Again, we are just looking at the possibilities and are not guaranteeing we will be splitting our bill at this time just curious in the possibility and partnerships interested.

SPLIT BILL
