NYC Holi Hai is the largest 'Festival of Colors' on the east coast. Every year on Governors Island we celebrate a day of spring, colors and the artistic spirit. Dancers and musicians create an eclectic stage of entertainment for every age.

The popularity of this unique festival has grown and it has become a tradition for thousands of New Yorkers. In its 9th year, we will be hosting more than 10,000 people from NYC and all over the US for a day of serene, unadulterated, high-fun spirited fun.

The festival field on Governors Island overlooks the Statue of Liberty on one side and the Manhattan skyline on the other. Take the opportunity to perform in front of a unique audience.

We invite you to join us for the tradition of spring, colors and diversity.

We're now accepting applications for dance acts and music bands. The common theme for all acts is colors and diversity. Dance groups should have 8 or more members and the acts should be high energy. Music bands should be energetic and upbeat.
