Stretch*d

We're looking for a few good Stretch*rs

This is an exciting opportunity to be part of the early stages of a new, unique wellness concept. [Stretch*d](#) is a space to get stretched, with the first location in Flatiron, NYC (and more to come!). We offer a convenient, customized, feel good way to improve your health via 25-, 55- and 75-minute one-on-one dynamic, assisted stretch sessions.

If you have a background in hands-on bodywork, one-on-one training or group fitness or teaching and are interested in learning the Stretch*d Method, apply now. Our goal is to help people recover faster, increase mobility and feel good overall.

Must love:

- Working with clients and helping them reach their personal fitness and wellness goals
- One-on-one hands-on client interaction
- Learning about anatomy, movement and advanced recovery methods
- Working for an early-stage business from the ground level

We are seeking candidates with a background in personal training, yoga instruction, coaching, massage therapy, kinesiology, sports science or similar. Bonuses: Degrees in kinesiology, exercise science or physical therapy. Note: Must be willing to be certified in CPR. We will certify everyone in the Stretch*d Method.

Job responsibilities include one-on-one hands-on stretching sessions (so be prepared to use your strength and knowledge to stretch out clients) and may include light administrative tasks.

Pay is hourly plus commission and tips.
