BREAKTHROUGHS IN DANCE AND LIFE

Three weeks of intense dance training in New York City
WHITE MOUNTAIN SUMMER DANCE FESTIVAL offers training to help dancers work more strongly and efficiently. Participants interact closely with rare exceptional faculty for 12 hours each day in a cohesive, challenging and nurturing environment.

ABOUT THE CURRICULUM:
Over the years, we have developed a comprehensive approach to dance training that embraces individual needs. All students have the opportunity to take classes in modern and ballet technique, Laban Movement Analysis, Bartenieff Fundamentals, anatomy/kinesiology, choreography, and yoga, and to perform new works by students and faculty.

ABOUT THE FACULTY:
The faculty's 1:1 faculty student ratio allows personal attention and direction for each participant. Our instructors are faculty members at highly respected dance institutions including The Julliard School, George Mason University, and The Hart School.
