Join GALLIM this summer for two unique opportunities to dive into your body and artistry through Artistic Director & Choreographer Andrea Miller's visceral movement language. Get into the studio with Miller and the GALLIM dancers for our annual 5-day Summer Intensive, followed by our first 4-day Repertory Extension, an intimate, immersive experience for a limited number of intensive participants.

GALLIM's Summer Intensive is anchored in Miller's distinct artistry and pedagogy that combine a movement language of technical nuance and raw vulnerability rooted in dance theater and visual arts. Students are immersed in GALLIM's culture and creative practice of improvisation, movement invention, composition, and repertory. In addition to class work, Andrea Miller and GALLIM dancers lead and support discussions about the state of the field, topics of professional development and nurturing life as an artist. The 2018 Summer Intensive will focus on the works created during the last year at The Metropolitan Museum of Art while Artist in Residence.
