access8: \$8 class: Marie-Christine Giordano

Class Location: 280 Broadway
Entrance located at 53A Chambers St

Class Description: Giordano's technique, based on principles of modern dance and ballet she considers valuable, develops strong dancers, granting them the freedom to explore the full potential of their physicality and artistry.

It is a unique approach to movement, incorporating the use of the breath, spirals, circular movements, crisp lines, shifts of weight, slow motion, a distinctive dynamic and the capacity to veer from total control to total abandon.

It builds from the inside out and is respectful of a healthy alignment of the back and the articulations. It aims at creating kinesthetic connection in the entire body and movement quality.

Marie-Christine Giordano Biography: Giordano was hailed for her "admirable intensity" (Jack Anderson, NYTimes), "unique aura and communicative power," "shining artistry" (Oberon's Grove). Gia Kourlas wrote in the NYTimes that she "is clearly a choreographer committed to constructing a personal dance vocabulary."

July 2,4&6 2 to 4PM. Access8 are classes for our community of dancers and cost only \$8.
