We are committed to offering a supportive and encouraging environment so that each dancer can develop and discover their unique creative voice. These intensive, hands-on weeks will provide dancers with the insights, improvisational skills and creative tools necessary for every professional dancer. Technique alone is not enough — dancers must also now be creators.

Select one week or dive deeper with both weeks.

Each day will start with ballet class and transition into repertoire, improvisation and choreographic workshops taught by Ihsan Rustem, NW Dance Project Resident Choreographer or Victor Quijada, founder of Rubberbanddance Group.
