Hello!

We're filming a web commercial inspired by 80s dance exercise videos (think Richard Simmons) and are in need of additional dancers and/or movers. We're looking for real, diverse people aged 40 or older. Plus size individuals are especially encouraged to apply. Must be available for rehearsal 5-8pm on Saturday (7/14) and for filming 10am-5pm on Sunday (7/15). If you're interested and available, please send us a current headshot or a selfie, a summary of your previous dancing experience, and any video samples of your dancing that you can share.

Thank you!
