Here Sublet Series

Company: HERE Art Center
Location: New York City, NY
Compensation: Ticket Proceeds

HERE

Call for Submissions: SubletSeries@HERE Program

Since 1993, HERE Arts Center has been one of New York's most prolific producing organizations, and today, it stands at the forefront of the city's presenters of daring new hybrid art. HERE supports multidisciplinary work that does not fit into a conventional programming agenda. Our aesthetic represents the independent, the innovative, and the experimental. HERE supports the work of artists at all stages in their careers through fully-produced works, commissions and subsidized performance and rehearsal space. In addition, HERE's staff provides marketing, technical and administrative support. All work at HERE is curated based on the strength and uniqueness of the artist's vision.

One of our most vital services, the SubletSeries@HERE Program, supports 150 guest independent artists and groups—such as Colt Coeur, Maya, New Georges, and ViBe Theater Experience —and their audiences each season.

This creative curated rental program has allowed many upstart companies and emerging artists to realize their full artistic vision on a small budget. The program provides subsidized performance and rehearsal space, lighting and sound equipment package, technical assistance, and administrative support, including a fully staffed box office. HERE will include the series on our website and in a weekly e-blast to our 19,000 subscribers. SubletSeries@HERE artists can also access equipment that is not typically available in venues our size such as video projectors, wireless microphones, color scrollers—all for free or at subsidized rates. We accept applications from artists all over the world for the opportunity to show work for a minimum of three weeks. Weekly rates range from $3200 for the 71-seat DOT Theatre and $5500 for the 99-150 seat mainstage. All tickets sales go directly to the artist.

For more information, and to fill out an online application, please visit the SubletSeries@HERE website at:
