The DanceBARN Festival is an annual event held in Battle Lake, MN that brings professional dancers, choreographers, and dance educators together for one week of dancing, creating, relaxing, and performing in the heart of the lakes.

NEW this year!! For our 5th annual festival we will revolve around the theme of Screendance. On top of daily movement classes, artists attending the festival will have the opportunity to collaborate as a choreographer, videographer, and/or dancer for the 3-5 dance films being created during the week! Already established videographer/choreographer duos are encouraged to apply, as well as artists willing to collaborate with someone new!

Artists will also have the option of screening works in progress at our annual Screendance Festival that happens during the week on Saturday, July 27th!
