Part-time Intern Positions available for both Development and Marketing www.MarthaGraham.org

Martha Graham Dance Company offers stimulating internship opportunities for those seeking experience in arts administration in the areas of Development and Marketing. The interns will gain experience in various categories of Fundraising such as grant research and writing, individual appeals, event planning, pitching corporate sponsorship opportunities, and collaboration on crowdfunding. With some digital editing and social media experience, an additional internship is now being offered with the marketing department.

Time Frame may be tailored to availability.

This is an unpaid internship. MGDC will provide a diligent and reliable intern with excellent recommendation letters and the opportunity to see the company dancers at work.
