About Big Dance Theater

Founded in 1991, Big Dance Theater is known for its inspired use of dance, music, text, and visual design. The company often works with wildly incongruent source material, weaving and braiding disparate strands into multi-dimensional performance. Led by Co-Artistic Director Annie-B Parson, Big Dance has delved into the literary work of such authors as Twain, Tanizaki, Wellman, Euripides and Flaubert, and dance is used as both frame and metaphor to theatricalize these writings.
