New year, new moves. Join us for NACHMO!

What is NACHMO?

NACHMO (National Choreography Month) is your yearly choreographic kick in the pants. We spur dancers (yes, you!) to take on the challenge of creating against a deadline. For one month each year, we as a community put aside our excuses and tackle that daunting task of "getting started", supported by a network for collaboration through the NACHMO community. Dancers around the US get involved and share their progress through social media, and in our NACHMO Hub locations we host live events including improv jams, open studio hours, performances, parties, and more!

NACHMO 2019 will be kicking off January 1st!
