/band/ a group of people who have a common interest or purpose.

BANDchicago is produced by PROJECT 44 with the goal of creating a platform for artists from various dance communities to BAND together through sharing their work, professional development, and networking. In its first year, this intimate festival is a juried event held at Hubbard Street Dance Chicago.

Artists interested in applying for BANDchicago should submit an application & fee by February 18th, 2019. In efforts to offer support, out of town artists will be offered a modest travel stipend as well as potential lodging support. All artists will receive two opportunities to present their work, 6pm & 8pm and documentation.

There is no production fee associated with BANDchicago.
