Looking to perform your new work or a work-in-progress and receive feedback from the audience and other artists? Look no further than Fertile Ground at Green Space! <https://www.greenspacestudio.org/fertile-ground>

Fertile Ground is a NON-CURATED showcase for emerging and/or established artists produced with full production values. The evening consists of work shown by five or six choreographers, followed by a moderated discussion - over wine - that integrates the choreographers, dancers, and audience members.

This series offers an excellent opportunity for participants to share new and developing work, then receive informative feedback about it in a supportive environment.

Deadline: Ongoing, first-come, first-served until the performance dates are full.

2019 available dates: 5/19, 6/16

All shows are at 7pm.
