We are looking for artists to join Loom Ensemble to help create our 2019 show. We will be exploring body shame/self-destructive behaviors/self-love. Performers will need to travel to our residency center in VT, and will be part of an intensive training, rehearsing, creating period. All performances and performance opportunities are still pending, though we plan to tour this work to Dubai and USA in 2019 -- performers who are part of the creation process will be prioritized for the tours.

This is a particularly good fit for performers who are interested in seeing what it's like to be part of a rural company, living on an organic farm, sharing a communal lifestyle, are passionate about dance/theater training, are interested in collaborative creation, and are curious about meditation.

February Devising Intensive Date:

Thursday to Sunday, February 7-10

Why Come? What will we do?

- See our rad community (the Art Monastery) in Vermont, and imagine your life here... :)
- Be on a creative retreat
- Daily dance-theater training with other committed performers
- Rehearse and develop new material together
- Do table work/have awesome, thoughtful conversations
- Practice meditation and sing every day
- Watch the leaves change color and swim in the river
- Live in community, share meals together (food from our huge garden!), drink wine by the fire
- Get to know other kick-ass artists

Devising Intensive

- During these weekends we will maintain a daily schedule of training in the morning, rehearsals in the afternoon, and discussions in the evening.
- Come to one, come to all three, write us if you are interested but can only come for part of the time.
- All performances and performance opportunities are still pending, though we plan to tour this work to Dubai and USA in 2019.

\$\$\$:

At this stage, we are asking artist to:

- cover your own travel costs, but we'll help organize carpools to make it as cheap as possible
- contribute \$75/day to cover food+drink+housing (all provided at the residency center, please let us know if you're up for camping!)

No one turned away for lack of funds. Let us know if these costs are prohibitive to you, and we'll see what we can come up with together.
