The NYC Membership is a company-like program for pre-professional dance students (ages 18 – 23) focusing on: community outreach through dance (teaching & performing in underserved communities) and professional opportunities. Over the course of the program, you will:

- Work with a group of aspiring professional dancers to conduct community outreach by teaching workshops and performing in underrepresented communities, including migrant families and recently immigrated youth.
 - Gain Leadership experience in the community through collaboration with a local LatinX group of teenagers.
- Participate in master classes taught by renowned NY artists and choreographers. Last years teachers: Tamisha Guy (Abraham In Motion), Taryn Russell (Juilliard) and Christopher Bloom (Ballet Hispanico).
- Enhance teaching and performance skills through ground experience, discussion, reflection and various education opportunities.
 - Participate in an end-of-program performance.

--

Fee: \$95 non-refundable deposit due upon registration (December 15 – January 5), plus \$200 for the semester (due January 5). Late registration is available January 5 – 30th with an additional \$100 late fee.

Note: This is a semester-long program from February – May 2019. Upon registration, you will be asked to submit payment and sign a contract.
