7Midnights Physical Research: Themed Dance Theater

7Midnights Physical Research is dedicated to the exploration of 7 social issues: Class, Education, Ability, Sexuality, Race, Age, Gender. Seven performances will take place throughout the year, and each performance will cover two or more than three topics of these social issues through dance. Each choreographer's work will express one or more themes of the seven social issues aligning with their thinking of dance and society.

The 7 topics of social issues are going to be depicted by the dance movements through our "Themed Dance Theater" program. Our 7 topics are inspired by the 7 deadly sins and are aimed at investigating the dark side of humans and how they are shaped by our society.

We hope to bring out seven midnight performances in 2019. Each midnight performance will present 8-10 (experimental) dance pieces created by different choreographers, addressing one or more social issues in our society. In this way, we hope we can participate in the broader discussion of the relationship between dance and society.

About the topics of 7MPR Themed Dance Theater Performances

"Dark Lip"- Gender

"Falling Apple"- Sexuality

"Milk Bottle"- Education

"Moon Coin"- Class

"Cloud Balloon"- Ability

"Gray Bubble"- Race

"Tiny Wings"- Age

Notes: Choreographer's dance works must be in relation to one of the social issues! Each midnight performance will include different themed dance works based on choreographer's application. For example, the First Midnight Performance was the themes of Dark Lip(Gender), Falling Apple(Sexuality), Tiny Wings(Age), and Cloud Balloon(Ability). We hope to bring out seven midnight performances every year. Each midnight performance will present 8 or 10 dance works created by different dance artists, addressing one or more social issues in our society. In this way, we hope we can participate in a boarder discussion of the relationship between dance and society.
