- This residency provides four choreographer/composer teams (eight artists total) with free rehearsal and workspace for a three-month period.
- Artists may start their residencies in October 2019 or January 2020.
- The artist team will have the space to develop new work.
- Each team is required to give one free public program in coordination with JCAL.

This is primarily a choreographic residency. Choreographers may apply individually without a composer. However, composers **MUST** apply with a choreographer and may not apply as individuals.
