The DanceBARN ScreenDANCE Festival takes place every year during the DanceBARN Festival. Official selections for the ScreenDANCE Festival are presented during a free outdoor screening at the ArtSTREAM Alley in Battle Lake, Minnesota. Any screendances made during the festival also premiere during the showing.

NEW this year, we are excited to welcome a panel of local jurors who will help select this year's screenings. We have also added a discounted submission category for screendances made in Minnesota!

DanceBARN seeks screendance submissions under 15 minutes in length, made for the screen. Submissions must, in some way, employ both choreographic concepts and the language of film. Documentation of live performances will not be accepted.

Regular Deadline: April 1, 2019 - \$20  
 Extended Deadline: May 31, 2019 - \$30  
 Notification: July 1, 2019
