Studio Assistant - Fitness Enthusiast

DanceBody is currently looking for fun, friendly, passionate (and a little Type A...) leaders to join our rapidly growing studio operations team.

If you are:

a personable, glass-half-full, detail oriented fitness enthusiast that can talk to anyone
someone who would enjoy leading a team that provides an inspiring boutique fitness experience
looking for a role to truly make your own, inside of a tight knit community

...you could be the right person for us!!

Because we are:

all about providing an inclusive, exciting, and rewarding experience for our clients AND our team members
growth oriented and want to "put a ring on" committed professionals who know how to work hard and play hard (in that order)
looking for the right fit with self-motivated team players who want to be a part of something real from the ground up

As a DanceBody Studio Assistant, YOU are the pulse of our studio. Our clients and staff may see you more than anyone else in their lives - and that's truly significant! Your important role brings our fitness experience to life from the moment they walk in. You will join a dynamic team that positively affects the lives of our clients on a daily basis. You will assist the daily operations of a fast-paced fitness studio, maintain the studio appearance, and help clients to understand the available class options, which makes you a cornerstone in how our company is built and maintained. In your unique position, you will help to build relationships with clients, while addressing any concerns to ensure positive outcomes.

Company Benefits & Perks:

Benefits to our staff are hugely important to us. We are constantly looking for ways to increase the benefits we offer to attract and retain top candidates. Currently we offer:

FREE WORKOUTS at the best place ever :)
Fitness casual dress-code
Frequent Team Unity outings (...that's the "play hard" part)
Exciting, mission-driven, collaborative work environment

If you are a Fitness Enthusiast in need of a new home, a new start, or a new group of BFF's with the following characteristics, DanceBody wants YOU!

Previous hospitality, retail, or fitness management experience preferred
Proficiency using a client reservation system (Mindbody Online a plus)
Tech savvy; particularly with social media, MS Office/Google, and photography
Excellent written and verbal communication skills
Enthusiastic, energetic, and friendly disposition (Mary Poppins.. with an edge)
Passion for health and wellness, but balanced (salad + fries, anyone?)
Team players only - no solo acts
Willing and able to work needed mornings, nights, weekends, and holidays
Desire to participate in DanceBody classes frequently because A) you enjoy them and B) you can more effectively describe our workout and brand ethos to clients.

Job Responsibilities:

Ability to speak to the DanceBody workouts, brand, vision, and culture
Manage client accounts (check-in, early/late cancel, follow-up via email, guest issues, user support, etc)
Ensuring each client has a positive and personable experience in our studio
Manage studio retail & apparel with focus on meeting monthly sales goals
Initiate studio tasks and perform duties without hesitation
Provide support to DanceBody trainers to ensure seamless class transitions
Maintain the studio appearance, keeping in line with brand aesthetic at all times
Flexibility to work in a non-traditional schedule, weekends, some holidays, and early mornings
Commit to a minimum of three shifts per week, weekend coverage a plus
Flexibility to work in other studios within reasonable commute
