i KADA Dance is proud to present the KoDaFe in NYC for the 7th year, a festival consisting of performances and competition from choreographers from around the world!

In addition to the KoDaFe in NYC, our company will be offering Master Classes that will be taught by professional choreographers so that aspiring artists can gain a deeper sense of meaning from their line of work. Though if taken separately, each class cost's \$25, taking all the classes together on the same day will be a discount package of only \$60. From the master classes, those who attend them will be given a chance to participate in i KADA's annual show and GALA Event at Ailey Citigroup Theater on November 16th. This will be a great opportunity for aspiring dancers since they will be given a chance to be on the big stage as well as have a chance of being contracted by i KADA Dance. Remember to join the Master classes to gain a professional approach to the World of Dance!!
