Organization Background: The mission of American Repertory Ballet (ARB) is to bring the joy, beauty, artistry, and discipline of classical and contemporary dance to New Jersey and nationwide audiences through public performances and to dance students through artistic and educational programs.

This mission is fulfilled through: American Repertory Ballet, the preeminent classical and contemporary ballet company in NJ; Princeton Ballet School, one of the largest non-profit dance schools in the nation; and ARB's Access & Enrichment initiatives, programs designed to expose students and the local community to the art form of dance, as active participants and informed observers, and to develop life-long dance enthusiasts. It is through these three branches that the organization's vision is pursued: to entertain, educate, enlighten, and inspire with the beauty and passion of dance.

*Designated a "Major Arts Institution" by the New Jersey State Council on the Arts for two decades, and recognized by the National Endowment for the Arts "American Masterpieces" program, ARB contributes vitally to the quality of life in NJ and plays a leadership role in the dance community. ARB's annual production of *Nutcracker*, first produced in 1963, is the longest-running production in the state and one of the longest-running in the country. ARB's DANCE POWER program, now in its 33rd year, is an in-school dance residency that provides dance education to students in the New Brunswick and Piscataway public school systems (approximately 1,500 students). It is the longest-running arts/community partnership in NJ.*

Founded in 1954 by Audrée Estey, the mission of Princeton Ballet School is to create and train professional dancers and to provide age and developmentally appropriate dance classes to the general public for students ranging from recreational beginners to professional artists.

The school has a highly qualified faculty dedicated to providing training for all dancers wishing to appreciate ballet as an art form, a life-long form of exercise and a means in which to find self-confidence and poise. For the gifted student wishing to make dance a professional career, the curriculum and artistic acumen of the faculty have produced dancers who have graduated to the professional level in ballet, modern dance, Broadway and T.V and Film. For the student looking for a bridge from their high school training into their professional careers, ARB offers the Trainee Program which is managed by Princeton Ballet School.
