Whim W'Him dancers, under the artistic direction of Olivier Wevers, seek choreographers to create new dance works for the company's sixth annual "Choreographic Shindig 2019." Selected choreographers will be invited to create original dances with the Whim W'Him dancers. Choreographers share three to four weeks residency, which culminates in eight public performances in Seattle September 2020.

We are offering an opportunity for emerging and established choreographers to develop works on our dancers. The dancers will be involved in selecting the choreographers for the residency, which culminates with performances of the new creations. This approach gives the dancers a voice in curating the program, becoming fully involved in a new aspect of the artistic process.
