Diana (#LifeTimeImprovChallenge) + The F-Tones (Dwayne Beach & Marcin Wisniewski) are adapting their collaborative dance/music work, "Flamenqueña Urbana", into film-dance format.

We are in search for a soloist learned in a wide array of movement forms. The ideal dancer for this project is proficient in Flamenco (most importantly), as well as Ballet/Modern/Contemporary forms, Step, Wacking, and Vogue. The ideal dancer is able to commit to 5 hrs of rehearsal + a day of thrifting/costume hunting, and 1hr film shoot; compensation is a rehearsal/filmshoot stipend of \$200. The dancer must be willing to learn some phrasework via video before the first rehearsal.

If you are interested in being considered, please send an e-mail to INFO@SansLimitesDance.com with the below information:

1. A Short Bio (up to 200 words) + Resume; as an attachment.
2. A clip of Flamenco dancing + as many other forms as possible.
3. Daily availability from August 20th - August 29th.
4. Do you own Flamenco costuming?
5. What size shoe are you?
