Hey dancers, performers, and the unique you out there!

I'm a photographer and videographer, I am providing survive of taking head shots, body shots, or any kind of shooting for your performance or art creation. I'm specialized in doing non-traditional imagery and film camera shooting also available.

I can video your class, performance and make edits into reels or any kind of project you have in mind. I'm also a dancer so I know how to navigate myself in a dance space.
