Looking to perform your new work or a work-in-progress and receive feedback from the audience and other artists? Look no further than Fertile Ground at Green Space!

Fertile Ground is a NON-CURATED showcase for emerging and/or established artists produced with full production values. The evening consists of work shown by six choreographers, followed by a moderated discussion - over wine - that integrates the choreographers, dancers, and audience members.

This series offers an excellent opportunity for participants to share new and developing work, then receive informative feedback about it in a supportive environment.

Deadline: Ongoing, first-come, first-served until the performance dates are full.

2020: 1/26, 4/5, 5/17, 6/14

All shows are at 7pm.
