Hello!

My name is Olga and I'm photographer currently living in New York. I specialize in portrait and movement photography as I am a dancer and choreographer myself. I am open for any types of art / experimental photography.

Links with examples of my work are below.

Please e-mail me if you're interested in photo shoot (in studio or outdoor) or need a photographer for performance or you have any crazy ideas you'd like to discuss. The rate is around \$150-\$200 for 1.5-2 hours photo shoot, specific cases can be discussed.

Thank you,

Olga
