The Portrait Pop-Up NYC is a project designed by portrait photographer, [Julian Myles](#), to provide artists in the New York City area with quality head shots and portrait photography for their portfolios. Working as an arts administrator and manager far too often do I come across many artists who do not have quality head shots - The Portrait Pop-up NYC was created to combat just that.

The Portrait Pop-Up will take place on Tuesday, January 21st at Dancewave in Brooklyn, NY from 10:00a - 4:00p - scheduled every 10 minutes. Please arrive 10-15 minutes before your scheduled slot.

Visit [@portraitpopnyc](#) on Instagram for additional sample work. Your 1-2 proofs will be sent to you digitally within 3-4 weeks of your session. Any additional photos or edits can be accommodated for an additional fee.

We look forward to hearing from you and capturing your portrait.
