It seems as if everything these days starts with "The world is in a crazy state" and that couldn't be more true but we are here to try to bring a little normalcy.

In the past our work has been devoted to help communities that have gone through a traumatic event and help them through their healing process through dance. We are continuing this work but we are expanding into other areas and we are looking for well rounded dancers to join us and help us grow! We are only filling apprenticeship slots- at this time apprentice positions are not paid and great experience for college students.

We will be holding these auditions via ZOOM, you will not need a great deal of space for this. Call backs will be held in the form of a ZOOM interview the following week.

Tuesday April 14 9:30pm- 11:00 am

Thursday April 16 3:00pm- 4:30pm

Dancers should be comfortable with story telling and using their voice, as well as, movement; modern, ballet, tap, hip hop, contemporary, etc. Dancers should also be comfortable working with non dancers and children in a workshop and class setting.

The rehearsal schedule is created based off of the dancers but most of the full company rehearsals are held Sunday mornings.

This is an invited audition so please submit your resume, headshot, and preferred date to Assistant@erinpyordancetheatre.com. We will send the audition link once we have reviewed all materials.
