Company: Ojas Dance Project
Location: New York, New York

[► Share](#) | [Print](#) | [Download](#)

Ojas Dance Project is working on some virtual creative projects to encourage movement, creation, and connection.

Our current ongoing project connects a series of improv videos that flow together like one continuous sequence of movement. We are welcoming and encouraging any and all dancers to participate as a way to bring our community together during this time. We will be accepting new participants until the end of this week (Saturday 5/23).

You can check out our instagram highlight, "Improv Chain", to get an idea about the project (@ojasdanceproject). We are posting videos leading up to the debut of the final product.

Please reach out for more information on how to participate in the project!
