We are delighted to announce the 2020 Flamenco Certamen Artist Development Series; a year-long program focused on the tools, skills and artistic practices necessary to prepare for and participate in future iterations of the Flamenco Certamen. This series will also equip participants for a successful professional flamenco career.

Additionally we are thrilled to launch the first Consorcio Flamenco, bringing professional artists together to cultivate professional development beyond the scope of an artist's performance career.

Visit <https://flamenco-vivo.org/flamenco-certamen-usa/> to apply! Applications are due June 15th, 2020.
