We are inviting you to dance with Cross Move Lab's company dancers and students

After those tough months of isolation, we would like to share the joy of moving as a group in a safe environment. This class will be held outdoor, in New York City's biggest Park to be able to use the space as much as we want and still respect the <u>CDC COVID-19 guidelines</u> while the weather permits it. We want to make you feel free as much as safe. There will be no <u>physical contact</u> between dancers and always <u>6</u> feet between everyone. The <u>mask will be mandatory</u> to attend the class. It is also recommended for you to bring your own hand sanitizer.
