7Midnights Physical Research: Themed Dance Theater

7Midnights Physical Research is dedicated to the exploration of 7 social issues: Class, Education, Ability, Sexuality, Race, Age, Gender. The Fourth Midnight Performance Series will take place on January 23, 2021. Each Midnight performance will cover two or more than three topics of these social issues through dance. Works will express one or more themes of the seven social issues aligning with their thinking of dance and society.

7MPR Virtual Performance 2021

7MPR Themed Dance Theater-The Fourth Midnight Performance will be on January 23rd, 2021. Based on the situation of COVID, we decide to cancel any application fee during the pandemic, so we hope artists can join our performances with their COVID works, in this way, the performance will be more like a "Multi-space of indoor and outdoor performance." Wherever artists want to showcase their works: kitchen, garden, garage, car, bed, table, floor, rooftop, bathroom or tub....., YES, there are many options and fun ideas come up with our strong artistry and wisdom during the quarantine.

Note: All video works should have the permission to use the music, so when we broadcast through Facebook live there will be no problem of the copyright of the music. Dance film, movement montage, original song, physical poem, music work, should be made during COVID-19. Videos made last year or before 2019 will not be the perfect option for the theme of 2021 as we are all experiencing different issues caused by COVID-19 now. Please directly send your video files to us via wetransfer, google drive, or dropbox.
