### About the DTH School

The DTH School provides classical ballet and dance training to children and youth from ages 3 to 18. The School provides high-quality training while ensuring that students of diverse backgrounds feel inspired and supported. In our building and virtually, students feel physically and emotionally safe and are encouraged to explore their greatest potential as growing artists. Classical ballet classes follow the carefully calibrated DTH Syllabus and students also study select other disciplines that serve to broaden their developmental capacities.
