I am dance artist based in Queens NY and want to make a dance work performing at park for this coming Easter. It will be filmed and performed at public park (TBD but one of the parks in mahattan) on 4th April 10 am.

Rehearsal will be in studio and also online (Zoom). It is only 4 minute song. Short and 5-7 dancers will be dancing in a relay not altogether to keep social distance.

This is very experimental work because it should keep all the safety rules while performance.

I want modern contemporary dancers (famillier to Gaga improv.) who are really commit to practice and also have a heart to remember the Easter. Compensation is \$150 three rehearsal (each 1 hr and half) and the show.

Please send your resume/ headshot / video reel or any dance performance video of you.
