Swiss artistic duo Schwald/Leuenberger are looking for male\* US-American dancers with different cultural backgrounds for a documentary dance production about masculinities\* that will premiere in Switzerland in November 2021. Rehearsals take place in Switzerland and Germany from 16 August - 12 September 2021 and 18 October - 16 November 2021. Shows from 17 - 21 November plus 7 - 12 December and March 2022.

We are looking for a broad range of experiences growing up and becoming men in the United States. We specifically and cordially invite all masculinities\* on the gender spectrum to feel welcome auditioning! And we especially encourage Asian, Black, Latino and Native American men\* to send in their submissions! Candidates should have a solid dance background, be able to pick up choreography easily and be interested in examining and deconstructing their own relationship to male\* gender performance.

If interested, please send us at least 1 short dance video showcasing your skills and a short video message in which you talk a little about yourself: Who are you, where and how did you grow up and what is your relationship to masculinity\*? along with a headshot and your resume to [christoph.leuenberger@gmail.com](mailto:christoph.leuenberger@gmail.com).

Send your materials until Sunday, March 14, 2021! (extended deadline)
