Look no further, Global Studios has the space for you! After a year of staying at home we know artists are ready to create new works and promote their art. We are offering artists a summer package that permits a flexible schedule and works with freelance artists' busy schedules. Our studio space is great for dance and theatre artists that need affordable rehearsal space to practice their craft.

Summer Package:

Email studio@beatglobal.org to book our space and inquire about our summer package.

Please note that the summer package must be paid in full before booking begins and must be fulfilled within the 30 days of purchase. The Summer Package is NON-REFUNDABLE but can be transferred to a friend should the artist not be able to fulfill the 20 hour commitment.
