Dick Rivington & the Cat

From the team that brought you the wildly successful JACK & THE BEANSTALK, comes DICK RIVINGTON & THE CAT! A Celebration of the resilience, open-mindedness and beauty of the Lower East Side, this anarchic show is a rags to riches story of a young immigrant & their feline friend who overcome enormous hardships to make their dreams come true. DICK RIVINGTON & THE CAT is a wild, outrageous, laugh out loud celebration with spectacular production values for all families, whatever their differences. We will laugh, & sing together, celebrating our diversity & community, knowing that it's our very differences, that make us stronger!
