I am looking for one female identifying contemporary dancer for my upcoming performance that is taking place next Saturday, October 16th, at 8PM in Triskelion Arts in Greenpoint. Must be available to rehearse on Thursday (Oct 14th) 12PM - 3PM, Friday (Oct 15th) 10AM - 2PM and on Saturday - day of the show (Oct 16th) 2:30PM - 9PM.

More info about the performance:

ROSAette - a collaboration between traditional vocal group ROSA and Renata Skobo - choreographer and performer. ROSAette is a multidisciplinary and multicultural performance, created and performed by female artists from 4 different countries, spanning 3 continents. Inspired by Balkan culture and tradition, performed by women of different ethnic, religious and cultural backgrounds, this piece addresses the very human struggle of being "stuck" and "in-between" in physical spaces, our bodies and our minds. A feeling we have collectively experienced during this global health crisis.

Bringing the clash of epochs with a common thread that connects them - the captivity from once visible, and now invisible intruder; this piece is the interplay of struggle, defiance and, at the end, resilience as the inevitable stages of confinement.

If interested please send me your resume and a headshot via email ASAP ([renata.skobo@gmail.com](mailto:renata.skobo@gmail.com)) and I will ask you to record a short video of yourself dancing to one song from our repertoire.
