About Dance Entropy/Green Space

Valerie Green/Dance Entropy is a professional not-for-profit modern dance company founded in 1998. The company performs in NYC, tours and teaches both domestically and abroad. Dance Entropy supports the vision of Artistic Director Valerie Green, who creates stage and site-specific work. A significant part of the company's mission is to use creation, performance, and education in locations and communities where the work will have the greatest impact such as with senior citizens, at-risk youth, and people with disabilities. In 2005 Dance Entropy created a company home, Green Space in Long Island City, Queens. Through Green Space, Dance Entropy offers classes for various ages, outreach programs, multi-arts events, the new works performance discussion series Fertile Ground and the Take Root presenting program for established artists. Green Space is highly regarded in providing valued resources to the dance community and has become an incubator for new and emerging talent.
