DANCE 5 LIVE — dare to MOVE more  
JAN 3 TO 7 / 2022  
10:00AM to 5:00PM

Spend 5 transformative days with NW DANCE PROJECT.

Immerse yourself in professional technique classes and experience the creative process, repertoire, improvisation, and movement styles that are necessary tools for every professional dancer. Dancers will work with our founding Artistic Director Sarah Slipper, guest choreographer Joseph Hernandez, NW DANCE PROJECT's extraordinary, award-winning company members and master teacher LeeWei Chao as they are mentored to push and develop their creativity, ideas and versatility.

Today's professional dancers are asked to improvise, reinvent steps, switch-up phrases, change musicality and make impulsive and artistic choices. Technique alone is not enough - dancers must also now be creators.

This intensive, hands-on week will provide dancers with the insights, improvisational skills and creative tools that are needed by the most sought after companies and choreographers today.

NW DANCE PROJECT is committed to offering a supportive and encouraging environment so that each dancer can develop and discover their unique creative voice.

For Professional Dancers 18 years+

We recommend early registration, not only to save, but to ensure a spot in this popular week long workshop. Registration is on a first come, first served basis. Enrollment is limited!
