The Jacob's Pillow Summer Intern Program is now accepting applications for Festival 2022. Jacob's Pillow Interns receive on-the-job training to develop professional skills and gain practical experience while working in a team-oriented environment. Internships specialize in performing arts administration, technical production, education, community programming, and more. Interns receive room and board (on-site housing plus 3 meals a day) and a stipend of \$2,000. Candidates may be eligible for additional needs-based compensation through sponsor support. Internships include access to performances, talks, and dance classes, as well as staff-led career talks and seminars. College credit, work-study, independent study, and/or cooperative learning programs may be available through your school. 2022 Summer Festival Internships will run May 24 through September 2.
