The School at Jacob's Pillow is where dancers and choreographers define and strengthen their distinct artistic voices, and make the connections that advance their work in the field.

We have heard from many applicants about the need for more time to apply to The School's five professional programs on campus this summer. As a result, we have extended the deadline to March 11 to give more dancers an opportunity to apply!

At The School at Jacob's Pillow, dancers perform for Pillow audiences, work with esteemed choreographers, watch world-class performances, participate in discussions and seminars, view footage in the Jacob's Pillow Archives, network with alumni, and so much more.
