Peridance Center

BLUEPRINT highlights the various artistic perspectives of our faculty and immerses students in an intensive experience of exploration and creativity. Participants will engage in an open space to dialogue and work in a creative process with faculty artists. The program includes intense training with up to 6 hours per day in Ballet, Contemporary, Improvisation, Hip Hop, Body Conditioning, Mind/Body Practice, and Repertoire. Daily seminars and small group discussion will provide each student mentorship, feedback, and open dialogue. The two week program culminates in a performance at Peridance's KnJ Theater.
